Posted by jonahfarrelly on November 3, 2020. November 14, 2020 at 17:45. They are extremely good for low budget photographers. These lenses are cheaper than the Nikon and Canon lenses. I have used them in the past and they perform as expected for the price. They are inexpensive and available at most Walmart locations in most states. November 14, 2020 at 17:41.
